Definition of Bullying and Harassment

Bullying and harassment are deliberate and repeated actions towards others which involve the misuse of power.

Bullying is:
- Any behaviour that is, or perceived to be, deliberately intended to be hurtful, insulting, humiliating.

It can be:
- **Physical** eg spitting, hitting, kicking

- **Discriminatory behaviour**

- It usually happens repeatedly
- It makes people feel small, helpless and weak because the bully is in a position of power.
