Senior School Uniform Policy

The senior school at year 10 and year 11 have their own senior school jacket that can be purchased through the school. Our uniform consists of a maroon windcheater with school logo, white or maroon polo top, plain black pants, black jeans, black skirt or black shorts. Footwear must be enclosed when in technology or food study classes. Thongs or Ugg Boots are not suitable footwear and are not allowed for school.

If a student arrives to school in the following:
- overly short skirt, dress or shorts
- board shorts that are not plain black or dark grey
- pants that have logos
- jeans (that are not black or dark grey)
- Unsuitable footwear as above

In the first instance the student will be given a warning. Repeat offenders will be kept at the front office for the day doing their school work in a side room.

As we are a SunSafe school all students (R-12) are required to wear a broad–brimmed hat during terms 1 and 4 when outside. At all other times students are not allowed to wear hats, caps or beanies during school the school day.

Year 12 students have the opportunity as a group each year to design their own school top with approval from the Mount Compass Area School Governing Council.

Physical Education uniform – the expectation is that students change into suitable sports attire for their PE practical lessons.
